

# MP52 E2 Teams Datasheet

## Microsoft Phone MP52 E2

A cost-effective basic Teams phone with high performance, the Android 13.0 OS-based Yealink MP52 E2 is plentiful in practical functions and outstanding in calling experience. The design of a non-touchscreen with physical navigation buttons makes the phone suitable for the common area and best migration practice from Skype for Business to Teams. Powered by Microsoft, MP52 E2 delivers a consistent Teams calling and meeting experience and improves productivity in daily work.

## Key Features and Benefits

### Excellent Calling Experience

The Yealink MP52 E2 leverages the advantage of Yealink Optima HD voice and Noise Proof Technology. The full-duplex hands-free speakerphone with AEC & HAC handset gives the phone a high performance with crystal-clear sound and keeps each calling process stably and smoothly.

### Common Area Phone

In common areas, such as in school/hospital/business scenarios, the Yealink MP52 E2 is invulnerable to damage caused by the design of non-touchscreen and physical buttons. Moreover, the appearance of a reasonable panel structure and fewer buttons would be appropriate for deploying the phone in the common area. Users can connect compatible USB headsets through the USB type-A port.

### Efficient Management

Effectively, MP52 E2 offers an auto-provisioning mechanism with phone development and configuration. Managers also can deploy, manage, and update the MP52 E2 phone in a variety of flexible ways, which include Microsoft and Yealink device management platforms.

- Android 13.0
- 2.4 inch (320 x 240) Non-touch Color Screen
- Optimal HD audio, Yealink Noise Proof Technology
- Magnet Handset
- USB Type-A port, Supports USB Headset
- Microsoft Teams-tailored APP
- Dual-port Gigabit Ethernet Switch, Supports PoE
- Supports Microsoft and Yealink device management platforms
- Wall mountable

**Technical Specifications**

Specifications	Introduction
Audio Features	<ul style="list-style-type: none"> <li>• HD voice: HD handset, HD speaker</li> <li>• Hearing aid compatible (HAC) handset, magnet handset</li> <li>• Yealink Noise Proof Technology</li> <li>• Audio codec: SILK, G.722, G.722.1, G.722.1C, G.711 (A/μ), G.723, G.726, G.729AB, iLBC</li> <li>• Full-duplex hands-free speakerphone with AEC</li> <li>• VAD, CNG, AEC, PLC, AJB, AGC</li> </ul>
Phone Features	<ul style="list-style-type: none"> <li>• Incoming/Outgoing P2P call</li> <li>• Cloud PSTN call</li> <li>• Call controls               <ul style="list-style-type: none"> <li>- Call hold/Call mute/Call transfer/Call forward</li> <li>- Visual voicemail</li> <li>- Synchronized call logs</li> </ul> </li> <li>• Meeting call controls               <ul style="list-style-type: none"> <li>- Mute/unmute, hold/resume</li> <li>- Hang up</li> <li>- Add/remove participant</li> </ul> </li> <li>• Sign in with user credentials</li> <li>• Sign in via website</li> <li>• Phone lock/unlock</li> <li>• Emergency calls</li> <li>• Accessibility</li> <li>• Power saving</li> <li>• Common Area Phone (CAP)</li> </ul>

<p>Display and Indicator</p>	<ul style="list-style-type: none"> <li>• Color screen with backlight: 2.4 inches (320 x 240) non-touch Screen</li> <li>• Multi-language user interface</li> <li>• Power LED for call and message waiting indication</li> <li>• Presence status control: available, busy, DND, be right back, off work, appear away</li> <li>• Transfer button</li> <li>• Time display</li> </ul>
